

OHIO RIVER

11-Day / 10-Night Cruises aboard *Queen of the Mississippi*

Fluctuating river conditions can have an impact on your itinerary. Just as it was in Mark Twain's day, the river has a mind of its own and schedules are adapted as needed. Guests may be transported between Marietta or another river town and Pittsburgh by coach for tours or embarkation.

Some itineraries run the reverse.

Step back in time to the grand era of paddlewheelers and explore the heartland of America on this 11-day Ohio River cruise. While gliding past the rolling farmland on the *Queen of the Mississippi*, you will rediscover the America of pioneers, boundless optimism, and unlimited possibilities.
